XBRL Use Reaching The Critical Tipping Point “Crossing the Chasm”

XBRL Use Reaching The Critical Tipping Point

SEC XBRL data – Delivering on its promise

Benefits of XBRL

- **Complete** – Access to ***every fact*** reported in the face financial statements and footnotes to the financials
- **Accurate** - XBRL instances provide structured datasets ***tagged directly by the filer, rather than a home-grown program or third party vendor***
- **Interactive, Reusable, Comparable and Traceable**
- **Faster** – available within minutes after a Company’s SEC filing is completed
- **Cheaper** –Financial data from **every SEC filer**, in a structured format, is accessible free from the SEC database
